PROFESSIONAL EXPERIENCE

Independent Contractor

Marketing Operations and Executive Virtual Assistant | January 2026 - Present | Remote

- Maintain WordPress and Elementor landing pages for B2B software content, including page builds, responsive QA, content updates, and conversion-focused calls to action.
- Research, edit, optimize, and publish long-form SEO content using keyword targeting, internal linking, metadata, structured headings, and content quality checks.
- Build and maintain lead-management workflows that connect CRM records, forms, Google Sheets, Slack notifications, and follow-up processes.
- Support real estate and construction operations through subcontractor tracking, contracts, e-signature coordination, payment follow-up, reporting, and client or vendor communication.
- Prepare video and campaign assets for YouTube, Vidyad, email, and social channels while maintaining consistent brand and publishing standards.

Evolve Alliance Group Inc

Digital Marketing and Automation Specialist | August 2025 - January 2026 | Philippines

- Managed multi-channel digital marketing activities using GoHighLevel, ManyChat, Canva, and social media platforms.
- Built CRM workflows and automations for lead nurturing, engagement, follow-up, and campaign execution.
- Created branded social media content and marketing materials aligned with client strategy and campaign objectives.
- Converted marketing ideas into structured campaigns, content plans, and automation workflows that supported visibility and audience growth.
- Managed assigned projects independently, maintained responsive communication, and delivered recurring marketing tasks on schedule.

10X-ADVANTAGE

General Virtual Assistant and GoHighLevel Marketing Operations Specialist | August 2024 - March 2025 | United States Remote

- Built and maintained GoHighLevel workflows, pipelines, tags, triggers, contact records, opportunities, and automated follow-up sequences.
- Created sales funnels, landing pages, forms, calendars, and lead-capture workflows for appointment booking and lead nurturing.
- Updated websites and funnel pages, resolving layout and mobile responsiveness issues across devices.
- Produced email and SMS follow-ups, campaign graphics, marketing assets, and short-form video content using Canva, Photoshop, CapCut, and VEED.io.
- Supported social media management, advertising setup, campaign creatives, and day-to-day digital marketing operations.

Digiassets

SEO Content Specialist | February 2023 - July 2024 | Israel Remote

- Researched, wrote, edited, and optimized SEO articles and website content based on target keywords, search intent, and organic visibility goals.
- Conducted keyword research and competitor analysis to identify content gaps and prioritize relevant topics.
- Used SurferSEO to improve headings, keyword placement, internal linking, readability, and on-page SEO elements.
- Uploaded, formatted, and published articles in WordPress while following brand, editorial, and content quality standards.
- Used ChatGPT and Jasper for research and drafting support, followed by manual editing, fact-checking, and SEO review.

Touchpoint Digital Israel

Meta Ads Campaign Manager | April 2022 - February 2023 | Israel Remote

- Created Meta advertising copy, campaign creatives, and multiple test variations for different audiences and offers.
- Supported campaign setup, audience targeting, performance monitoring, and ongoing optimization.
- Adjusted copy and creative based on campaign results to support testing and performance improvement.

Wizard Manpower and Allied Services Inc

On Site Supervisor | December 2018 - November 2022 | Philippines

- Supervised daily operations, employee deployment, attendance, schedules, performance, and staffing requirements at client locations.
- Coordinated with client management to address staffing gaps, operational concerns, employee issues, and compliance requirements.
- Trained and onboarded employees, coached team members, and handled conflict resolution and workplace concerns.
- Prepared daily operational reports and served as the primary liaison among employees, client management, and the manpower agency.
